Art Knowledge Coverage

Year	Autumn	Spring	Summer
R	<p>Marvelous Marks - Use a range of drawing materials such as pencils, chalk, felt tips and wax crayons. Work on a range of materials of different textures (eg. playground, bark). Begin to develop observational skills by using mirrors to include the main features of faces in their drawings.</p> <p>Paint My World - Explore paint including different application methods (fingers, splatter, natural materials, paintbrushes.) Use different forms of ‘paint’ such as mud and puddles, creating a range of artwork both abstract and figurative. Use mixed-media scraps to create child-led artwork with no specific outcome.</p> <p>Creation Station - Push, pull and twist a range of modelling materials to affect the shape. Create child-led 3D forms from natural materials. Join materials in different ways e.g. using sticky tape to attach materials, making simple joins when modelling with playdough.</p> <p>Let’s Get Crafty - Design something and stick to the plan when making. Cut, thread, join and manipulate materials with instruction and support, focusing on process over outcome.</p>		
1	<p>Drawing: Make your mark Developing observational drawing skills when exploring mark-making . Children use a range of tools, investigating how texture can be created in drawings. They apply their skills to a collaborative piece using music as a stimulus and investigate artists Bridget Riley and Zaria Forman.</p>	<p>Sculpture and 3D: Paper play Creating simple three dimensional shapes and structures using familiar materials, children develop skills in manipulating paper and card. They fold, roll and scrunch materials to make their own sculpture. There are opportunities to extend learning to make a collaborative sculptural piece based on the art of Louise Bourgeois.</p>	<p>Painting and mixed media: Colour splash Exploring colour mixing through paint play, children use a range of tools and work on different surfaces. They create paintings inspired by Clarice Cliff and Jasper Johns.</p>
2	<p>Draft and design: Map it out</p>	<p>Painting and mixed media:</p>	<p>Sculpture and 3D: Clay houses Developing</p>

	<p>Responding to a design brief, children create a piece of art that represents their local area using a map as their stimulus. They learn three techniques for working creatively with materials and at the end of the project, evaluate their design ideas, choosing the best to meet the brief.</p>	<p>Beside the seaside - coming soon! Taking seaside paintings and impressionist painters as a starting point, pupils investigate how mixing a wider range of colours contributes to different effects. They explore surface texture when selecting and combining materials to make their final piece.</p>	<p>their ability to work with clay, children learn how to create simple thumb pots then explore the work of sculptor Rachel Whiteread and apply her ideas in a final piece that uses techniques such as cutting, shaping, joining and impressing into clay.</p>
3	<p>Drawing: Growing artists Using botanical drawings and scientific plant studies as inspiration, pupils explore the techniques of artists such as Georgia O'Keefe and Maud Purdy to draw natural forms, becoming aware of differences in the choice of drawing medium, scale and the way tonal shading can help create form.</p>	<p>Sculpture and 3D: Abstract shape and space Exploring how shapes and negative spaces can be represented by three dimensional forms. Manipulating a range of materials, children learn ways to join and create free standing structures inspired by the work of Anthony Caro and Ruth Asawa</p>	<p>Craft and design: Ancient Egyptian scrolls Learning about the way colour, scale and pattern influenced ancient Egyptian art, children explore the technique of papermaking to create a papyrus-style scroll. Ideas are extended to create a modern response by designing a 'zine'</p>
4	<p>Drawing: Power prints Using everyday electrical items as a starting point, pupils develop an awareness of composition in drawing and combine media for effect when developing a drawing into a print</p>	<p>Painting and mixed media: Light and dark Developing colour mixing skills, using shades and tints to show form and create three dimensions when painting. Pupils learn about composition and plan their own still life to paint, applying chosen techniques.</p>	<p>Craft and design: Fabric of nature Developing skills in textile techniques, pupils explore the beauty of the natural world to create stunning visual art inspired by the striking colours, pattern and textures of bird and insect life.</p>
5	<p>Sculpture and 3D: Interactive installation Using inspiration of historical monuments and modern installations, children plan by researching and drawing, a sculpture to fit a design brief. They investigate scale, the display environment and possibilities for viewer interaction with their piece.</p>	<p>Drawing: I need space Developing ideas more independently, pupils consider the purpose of drawings as they investigate how imagery was used in the 'Space race' that began in the 1950s. They combine collage and printmaking to create a piece in their own style.</p>	<p>Painting and mixed media: Portraits Investigating self-portraits by a range of artists, children use photographs of themselves as a starting point for developing their own unique self-portraits in mixed-media.</p>
6	<p>Painting & Mixed Media: Artist study Drawing upon their experience of creative work and their research and analysis of the work of a range of artists, children develop</p>	<p>Drawing: Make my voice heard Exploring art with a message, children look at the famous 'Guernica' by Picasso and the confronting works of Käthe Kollwitz. They</p>	<p>Sculpture and 3D: Making memories Documenting their memories of their time at primary school, children select their favourite art and design skills and techniques to design</p>

	their own starting points for creative outcomes.	develop their drawings to incorporate new surfaces, a range of techniques and demonstrate an emerging personal style.	and create a 3D artwork to represent these memories.

	EYFS (Reception) <u>Marvellous marks</u>	Year 1 <u>Make your mark</u>	Year 2 <u>Tell a story</u>	Year 3 <u>Growing artists</u>
Generating ideas	Talk about their ideas and explore different ways to record them.	Explore their own ideas using a range of media.	Begin to generate ideas from a wider range of stimuli, exploring different media and techniques.	Generate ideas from a range of stimuli and carry out simple research and evaluation as part of the making process.
Sketch-books	Experiment with mark making in an exploratory way.	Use sketchbooks to explore ideas in an open-ended way.	Experiment in sketchbooks, using drawing to record ideas. Use sketchbooks to help make decisions about what to try out next.	Use sketchbooks for a wider range of purposes, for example recording things using drawing and annotations, planning and taking next steps in a making process.
Making skills (including Formal elements)	Use a range of drawing materials such as pencils, chalk, felt tips and wax crayons. Work on a range of materials of different textures (eg. playground, bark). Begin to develop observational skills by using mirrors to include the main features of faces in their drawings.	Use a range of drawing materials such as pencils, chalk, charcoal, pastels, felt tips and pens. Develop observational skills to look closely and reflect surface texture through mark-making. To explore mark making using a range of tools; being able to create a diverse and purposeful range of marks through experimentation building skills and vocabulary.	Further develop mark-making within a greater range of media, demonstrating increased control. Develop observational skills to look closely and reflect surface texture through mark-making. Begin to explore tone using a variety of pencil grade (HB, 2B, 4B) to show form, drawing light/dark lines, patterns and shapes.	Confidently use of a range of materials, selecting and using these appropriately with more independence. Draw with expression and begin to experiment with gestural and quick sketching. Developing drawing through further direct observation, using tonal shading and starting to apply an understanding of shape to communicate form and proportion.
Knowledge of artists	Enjoy looking at and talking about art.	Describe similarities and differences between practices in Art and design, eg between painting and sculpture, and link these to their own work.	Talk about art they have seen using some appropriate subject vocabulary. Be able to make links between pieces of art.	Use subject vocabulary to describe and compare creative works. Use their own experiences to explain how art works may have been made.
Evaluating and analysing	Talk about their artwork, stating what they feel they did well.	Describe and compare features of their own and other's art work.	Explain their ideas and opinions about their own and other's art work, giving reasons. Begin to talk about how they could improve their own work.	Confidently explain their ideas and opinions about their own and other's art work, giving reasons. Use sketchbooks as part of the problem-solving process and make changes to improve their work.

	Year 4 <u>Power prints</u>	Year 5 I need space	Year 6 Make my voice heard
Generating ideas	Generate ideas from a range of stimuli, using research and evaluation of techniques to develop their ideas and plan more purposefully for an outcome.	Develop ideas more independently from their own research. Explore and record their plans, ideas and evaluations to develop their ideas towards an outcome.	Draw upon their experience of creative work and their research to develop their own starting points for creative outcomes.
Sketchbooks	Use sketchbooks purposefully to improve understanding, develop ideas and plan for an outcome.	Confidently use sketchbooks for purposes including recording observations and research, testing materials and working towards an outcome more independently.	Using a systematic and independent approach, research, test and develop ideas and plans using sketchbooks.
Making skills (including Formal elements)	<p>Apply observational skills, showing a greater awareness of composition and demonstrating the beginnings of an individual style.</p> <p>Use growing knowledge of different drawing materials, combining media for effect.</p> <p>Demonstrate greater control over drawing tools to show awareness of proportion and continuing to develop use of tone and more intricate mark making.</p>	<p>To use a broader range of stimulus to draw from, such as architecture, culture and photography. Begin to develop drawn ideas as part of an exploratory journey.</p> <p>Apply known techniques with a range of media, selecting these independently in response to a stimulus.</p> <p>Draw in a more sustained way, revisiting a drawing over time and applying their understanding of tone, texture, line, colour and form.</p>	<p>Draw expressively in their own personal style and in response to their choice of stimulus, showing the ability to develop a drawing independently.</p> <p>Apply new drawing techniques to improve their mastery of materials and techniques</p> <p>Push the boundaries of mark-making to explore new surfaces, e.g. drawing on clay, layering media and incorporating digital drawing techniques.</p>
Knowledge of artists	<p>Use subject vocabulary confidently to describe and compare creative works.</p> <p>Use their own experiences of techniques and making processes to explain how art works may have been made.</p>	<p>Research and discuss the ideas and approaches of artists across a variety of disciplines, being able to describe how the cultural and historical context may have influenced their creative work.</p>	<p>Describe, interpret and evaluate the work, ideas and processes used by artists across a variety of disciplines, being able to describe how the cultural and historical context may have influenced their creative work.</p>
Evaluating and analysing	<p>Build a more complex vocabulary when discussing their own and others' art.</p> <p>Evaluate their work more regularly and independently during the planning and making process.</p>	<p>Discuss the processes used by themselves and by other artists, and describe the particular outcome achieved.</p> <p>Use their knowledge of tools, materials and processes to try alternative solutions and make improvements to their work.</p>	<p>Give reasoned evaluations of their own and others work which takes account of context and intention.</p> <p>Independently use their knowledge of tools, materials and processes to try alternative solutions and make improvements to their work.</p>

	EYFS (Reception) <u>Paint my world</u>	Year 1 <u>Colour splash</u>	Year 2 Beside the seaside	Year 3 <u>Prehistoric painting</u>
Generating ideas	Explore different ways to use paint and a range of media according to their interests and ideas.	Explore their own ideas using a range of media.	Begin to generate ideas from a wider range of stimuli, exploring different media and techniques.	Generate ideas from a range of stimuli and carry out simple research and evaluation as part of the making process.
Sketch-books	N/A	Use sketchbooks to explore ideas in an open-ended way.	Experiment in sketchbooks, using drawing to record ideas. Use sketchbooks to help make decisions about what to try out next. Select materials based on their properties, eg <i>shiny, soft</i>.</p>	<p>Begin to develop some control when painting, applying knowledge of colour and how different media behave eg adding water to thin paint.</p> <p>Create a range of secondary colours by using different amounts of each starting colour or adding water.</p> <p>Make choices about which materials to use for collage based on colour, texture, shape and pattern. Experiment with overlapping and layering materials to create interesting effects.</p>	<p>Select and use a variety of painting techniques, including applying their drawing skills, using their knowledge of colour mixing and making choices about suitable tools for a task eg choosing a fine paintbrush for making detailed marks.</p> <p>Mix colours with greater accuracy and begin to consider how colours can be used expressively.</p> <p>Modify chosen collage materials in a range of ways eg by cutting, tearing, re-sizing or overlapping. In sketchbooks, use collage as a means of collecting ideas.</p>
Knowledge of artists	Enjoy looking at and talking about art.	Describe similarities and differences between practices in Art and design, eg between painting and sculpture, and link these to their own work.	Talk about art they have seen using some appropriate subject vocabulary. Be able to make links between pieces of art.	Use subject vocabulary to describe and compare creative works. Explain their ideas and opinions about their own and other's art work, giving reasons. Begin to talk about how they could improve their own work.	Confidently explain their ideas and opinions about their own and other's art work, giving reasons. Use sketchbooks as part of the problem-solving process and make changes to improve their work.

	Year 4 <u>Light and dark</u>	Year 5 <u>Portraits</u>	Year 6 <u>Artist study</u>
Generating ideas	Generate ideas from a range of stimuli, using research and evaluation of techniques to develop their ideas and plan more purposefully for an outcome.	Develop ideas more independently from their own research. Explore and record their plans, ideas and evaluations to develop their ideas towards an outcome.	Draw upon their experience of creative work and their research to develop their own starting points for creative outcomes.
Sketchbooks	Use sketchbooks purposefully to improve understanding, develop ideas and plan for an outcome.	Confidently use sketchbooks for purposes including recording observations and research, testing materials and working towards an outcome more independently.	Using a systematic and independent approach, research, test and develop ideas and plans using sketchbooks.
Making skills (including Formal elements)	<p>Explore the way paint can be used in different ways to create a variety of effects, eg creating a range of marks and textures in paint.</p> <p>Develop greater skill and control when using paint to depict forms, eg beginning to use tone by mixing tints and shades of colours to create 3D effects.</p> <p>Work selectively, choosing and adapting collage materials to create contrast and considering overall composition.</p>	<p>Apply paint with control in different ways to achieve different effects, experimenting with techniques used by other artists and applying ideas to their own artworks eg making choices about painting surfaces or mixing paint with other materials.</p> <p>Develop a painting from a drawing or other initial stimulus.</p> <p>Explore how collage can extend original ideas.</p> <p>Combine a wider range of media, eg photography and digital art effects.</p>	<p>Manipulate paint and painting techniques to suit a purpose, making choices based on their experiences.</p> <p>Analyse and describe the elements of other artists' work, e.g. the effect of colour or composition..</p> <p>Consider materials, scale and techniques when creating collage and other mixed media pieces. Create collage in response to a stimulus.</p> <p>Work collaboratively on a larger scale.</p>
Knowledge of artists	<p>Use subject vocabulary confidently to describe and compare creative works.</p> <p>Use their own experiences of techniques and making processes to explain how art works may have been made.</p>	<p>Research and discuss the ideas and approaches of artists across a variety of disciplines, being able to describe how the cultural and historical context may have influenced their creative work.</p>	<p>Describe, interpret and evaluate the work, ideas and processes used by artists across a variety of disciplines, being able to describe how the cultural and historical context may have influenced their creative work.</p>

Use sketchbooks for a wider range of purposes, for example recording things using drawing and annotations, planning and taking next steps in a making process.
Making skills (including Formal elements)	Design something and stick to the plan when making. Cut, thread, join and manipulate materials with instruction and support, focusing on process over outcome.	Able to select colours, shapes and materials to suit ideas and purposes. Design and make something that is imagined or invented. Begin to develop skills such as measuring materials, cutting, and adding decoration.	Respond to a simple design brief with a range of ideas. Apply skills in cutting, arranging and joining a range of materials to include card, felt and cellophane. Follow a plan for a making process, modifying and correcting things and knowing when to seek advice.	Learn a new making technique (paper making) and apply it as part of their own project. Investigate the history of a craft technique and share that knowledge in a personal way. Design and make creative work for different purposes, evaluating the success of the techniques used.
Knowledge of artists	Enjoy looking at and talking about art.	Describe similarities and differences between practices in Art and design, eg between painting and sculpture, and link these to their own work.	Talk about art they have seen using some appropriate subject vocabulary. Be able to make links between pieces of art.	Use subject vocabulary to describe and compare creative works. 	Year 4 Fabric of nature	Year 5 <u>Architecture</u>	Year 6 <u>Photo opportunity</u>
Generating ideas	Generate ideas from a range of stimuli, using research and evaluation of techniques to develop their ideas and plan more purposefully for an outcome.	Develop ideas more independently from their own research. Explore and record their plans, ideas and evaluations to develop their ideas towards an outcome.	Draw upon their experience of creative work and their research to develop their own starting points for creative outcomes.
Sketchbooks	Use sketchbooks purposefully to improve understanding, develop ideas and plan for an outcome.	Confidently use sketchbooks for purposes including recording observations and research, testing materials and working towards an outcome more independently.	Using a systematic and independent approach, research, test and develop ideas and plans using sketchbooks.
Making skills (including Formal elements)	Learn new making techniques, comparing these and making decisions about which method to use to achieve a particular outcome. Design and make art for different purposes and begin to consider how this works in creative industries.	Design and make art for different purposes and begin to consider how this works in creative industries e.g. in architecture, magazines, logos, digital media and interior design. Extend ideas for designs through sketchbook use and research, justifying choices made during the design process.	Develop personal, imaginative responses to a design brief, using sketchbooks and independent research. Justify choices made during a design process, explaining how the work of creative practitioners have influence their final outcome.
Knowledge of artists	Use subject vocabulary confidently to describe and compare creative works. Use their own experiences of techniques and making processes to explain how art works may have been made.	Research and discuss the ideas and approaches of artists across a variety of disciplines, being able to describe how the cultural and historical context may have influenced their creative work.	Describe, interpret and evaluate the work, ideas and processes used by artists across a variety of disciplines, being able to describe how the cultural and historical context may have influenced their creative work.
Evaluating and analysing	Build a more complex vocabulary when discussing their own and others' art. Evaluate their work more regularly and independently during the planning and making process.	Discuss the processes used by themselves and by other artists, and describe the particular outcome achieved. Use their knowledge of tools, materials and processes to try alternative solutions and make improvements to their work.	Give reasoned evaluations of their own and others work which takes account of context and intention. Independently use their knowledge of tools, materials and processes to try alternative solutions and make improvements to their work.

	Year 1	Year 2
Colour	<p>Know that the primary colours are red, yellow and blue.</p> <p>Know that primary colours can be mixed to make secondary colours:</p> <ul style="list-style-type: none"> • Red + yellow = orange • Yellow + blue = green • Blue + red = purple 	<p>Know that different amounts of paint and water can be used to mix hues of secondary colours.</p> <p>Know that colours can be mixed to 'match' real life objects or to create things from your imagination</p> <p>Know that colour can be used to show how it feels to be in a particular place, eg the seaside</p>
Form	<p>Know that we can change paper from 2D to 3D by folding, rolling and scrunching it.</p> <p>To know that three dimensional art is called sculpture.</p>	<p>Know that 'composition' means how things are arranged on the page.</p> <p>Know that pieces of clay can be joined using the 'scratch and slip' technique.</p> <p>Know that a clay surface can be decorated by pressing into it or by joining pieces on.</p>
Shape	<p>Know a range of 2D shapes and confidently draw these.</p> <p>Know that paper can be shaped by cutting and folding it.</p>	<p>Know that collage materials can be shaped to represent shapes in an image.</p> <p>Know that shapes can be organic (natural) and irregular.</p> <p>Know that shapes can be geometric if they have mostly straight lines and angles.</p> <p>Know that patterns can be made using shapes.</p>
Line	<p>Know that drawing tools can be used in a variety of ways to create different lines.</p> <p>Know that lines can represent movement in drawings.</p>	<p>Know that lines can be used to fill shapes, to make outlines and to add detail or pattern.</p>

	Year 3	Year 4	Year 5	Year 6
Colour	<p>Know that using light and dark colours next to each other creates contrast.</p> <p>Know that paint colours can be mixed using natural substances, and that prehistoric peoples used these paints.</p>	<p>To know that adding black to a colour creates a shade.</p> <p>To know that adding white to a colour creates a tint.</p>	<p>To know that artists use colour to create an atmosphere or to represent feelings in an artwork, for example by using warm or cool colours.</p>	<p>To know that a 'monochromatic' artwork uses tints and shades of just one colour.</p> <p>To know that colours can be symbolic and have meanings that vary according to your culture or background, eg red for danger or for celebration.</p>
Form	<p>To know that three dimensional forms are either organic (natural) or geometric (mathematical shapes, like a cube).</p> <p>To know that organic forms can be abstract.</p>	<p>To know that using lighter and darker tints and shades of a colour can create a 3D effect.</p> <p>Know that simple 3D forms can be made by creating layers, by folding and rolling materials.</p>	<p>To know that an art installation is often a room or environment in which the viewer 'experiences' the art all around them.</p> <p>To know that the size and scale of three-dimensional art work changes the effect of the piece.</p>	<p>To know that the surface textures created by different materials can help suggest form in two-dimensional art work.</p>
Shape	<p>To know that negative shapes show the space around and between objects.</p>	<p>To know how to use basic shapes to form more complex shapes and patterns.</p>	<p>To know that a silhouette is a shape filled with a solid flat colour that represents an object.</p>	<p>To know how an understanding of shape and space can support creating effective composition.</p>
Line	<p>To know that different drawing tools can create different types of lines.</p>	<p>To know that lines can be lighter or darker, or thicker or thinner and that this can add expression or movement to a drawing.</p>	<p>To know that lines can be used by artists to control what the viewer looks at within a composition, eg by using diagonal lines to draw your eye into the centre of a drawing.</p>	<p>To know how line is used beyond drawing and can be applied to other art forms.</p>

	Year 3	Year 4	Year 5	Year 6
Pattern	<p>To know that pattern can be man-made (like a printed wallpaper) or natural (like a giraffe's skin).</p> <p>To know that the starting point for a repeating pattern is called a motif, and a motif can be arranged in different ways to make varied patterns.</p>	<p>To know that symmetry can be used to create repeating patterns.</p> <p>To know that patterns can be irregular, and change in ways you wouldn't expect.</p>	<p>To know that artists create pattern to add expressive detail to art works, for example Chila Kumari Singh Burman using small everyday objects to add detail to sculptures.</p>	<p>To know that pattern can be created in many different ways, eg in the rhythm of brushstrokes in a painting (like the work of van Gogh) or in repeated shapes within a composition.</p>
Texture	<p>To know that texture in an artwork can be real (what the surface actually feels like) or a surface can be made to appear textured, as in a drawing using shading to recreate a fluffy object.</p>	<p>To know how to use texture more purposely to achieve a specific effect or to replicate a natural surface.</p>	<p>To know how to create texture on different materials.</p>	<p>To know that applying thick layers of paint to a surface is called impasto, and is used by artists such as Claude Monet to describe texture.</p>
Tone	<p>To know some basic rules for shading when drawing, eg shade in one direction, blending tones smoothly and with no gaps.</p> <p>To know that shading is used to create different tones in an artwork and can include hatching, cross-hatching, scribbling and stippling.</p>	<p>To know that using lighter and darker tints and shades of a colour can create a 3D effect.</p> <p>To know that tone can be used to create contrast in an artwork.</p>	<p>To know that tone can help show the foreground and background in an artwork.</p>	<p>To know that chiaroscuro means 'light and dark' and is a term used to describe high-contrast images.</p>
