Website

We have a new Website which is being launched on Friday 16th May. We look forward to sharing this with you next week.

The Shop Witney

The Shop Witney are running some private shopping evenings. These are aimed at anyone that is struggling to go out in the crowds. This can be health, anxiety, new baby, Covid, anything! You can book a 25min slot to shop ALONE (or with anyone you want to bring) with just one team member in store. This will be the first Thursday evening of each month. To book message The Shop Witney on Facebook or Instagram. Or call the shop on 07508884961.

Many thanks Anne, Sarah and the shop team

Murabindi School

We are twinning with a school in Uganda which is run by a local charity. The children are beginning to learn about the school, and we are starting to look at resources that can be sent out to the school via the charity. This will include some much- needed laptops that we have now replaced. Please ask your child to tell you about this project.

Challenge 13

We would love the children to write letters to the children in our sister school. We can then collect them and deliver them to the school via our Witney contact. The children could talk about their school life and hobbies. They can use the school address.

Book Vending machine

A big thank you to the Studley family for the book vending machine that has now been delivered and is in place in the school Library.

May Dancing

It is with great sadness that we need to cancel this year’s May Dancing. We are not able to come out of our bubbles to practise and therefore the children will not have time to prepare.
